Huntington School 2024 Aspirations Fair

Thursday 18th April 3.15pm-4.30pm

The Huntington School KS4 and KS5 Aspirations Fair is back this year with over 40 exhibitors expected. You and your parents/carers are invited to attend!

Organisations confirmed so far include The Army, Police, NHS, Crown Prosecution Service, Network Rail and many more. Local colleges, a range of universities and NYBEP (apprenticeships) will all be in attendance too!

The fair is a great opportunity for you to discover new careers and develop your understanding of careers that you may already have an interest in. You will also be able to pick up great advice from employers, and you can find out about the many different training routes available to various jobs.

In addition to running stalls, some of the more popular careers will also be hosting seminars for students, parents and carers to attend throughout the event.

2023-24 Post-16 Pathways – a guide for young people, parents and carers on next steps after Year 11

Deciding what you want to do after year 11 can be both an exciting and stressful time. There is, however, plenty of support available to help you make decisions. You may find it helpful to share the information in this booklet with your parent or carer.

York has a wide range of high-quality choices available for all young people, at all levels. Whatever you are doing now, there is a pathway for you to follow in 2024-25.

This booklet gives initial information and tells you where to find out more. It has been designed with all students in mind, with the sections listed in blue containing additional information for students with an existing Education, Health and Care Plan (EHCP).

Learn Live have worked successfully with companies like The BBC, Balfour Beatty, Gatwick Airport, National Apprenticeship Service, Lancashire LEP, Network Rail, IBM, Health Education England and The NHS since 2015 to deliver careers advice, recruitment opportunities and health awareness broadcasts into schools and colleges across the UK.

The Learn Live technology is free to schools and colleges and doesn't require any additional equipment to be purchased or procured to interact with the live broadcasts. All broadcasts can be viewed via interactive whiteboards or projectors using IE or Google Chrome browsers on existing laptops, PCs or via an app on tablet devices.

Since 2015, Learn Live have delivered over 350 live broadcasts and reached over 400,000 young people in schools, colleges and other educational institutions including Job Centre Plus. Over 2,000 schools and colleges have also engaged with the on demand video content with live interactive chat.

Details for comms with schools:

The Yorkshire Dental Schools Summer School A DSC Summer Schools Programme

DSC Summer Schools is a Dental Schools Council initiative in partnership with dental schools across England. The initiative is funded by NHS England.

The University of Leeds and the University of Sheffield are co-hosting an online summer school for Y11 students. The summer school has 80 places available and will take place on 25th-27th June 2024.

Participants will experience talks and workshops including mock clinical scenarios, learning about tooth morphology, common oral conditions and gain an insight into the roles and working lives of different members of the dental team. They will gain knowledge, skills and confidence to help them build a strong application to support their future ambitions. The summer school will be supported by student ambassadors, academics and alumni from both universities. [Find out more and apply on Leeds' Health Sciences outreach page.](#)

Apprenticeships and Jobs

Most useful for Years 11-13

Huntington School Aspirations Department

There are always lots of apprenticeships being advertised in the York area. You can view most of them [here!](#)

To apply for these apprenticeships, you will need to be registered to the [National Apprenticeships Service](#).

You can also register to receive apprenticeship updates and vacancies by completing [this form!](#)

Remember, you can also find apprenticeships by asking employers if they can offer you one! If you don't ask, you don't get!

Y12 Apprenticeship Presentation (PSHE)

Recently, Mr Daniel (our careers leader) delivered a presentation to Y12 as part of their PSHE and employability work.

You can view the video [here](#) and the accompanying PDF [here](#).

Although delivered for Y12, this is useful to other KS4/5 Year Groups, and we encourage any parents/carers of students considering apprenticeships to watch this presentation.

The [PARENTS PACK](#) from Amazing Apprenticeships is updated monthly and contains lots of information. In addition to apprenticeships, the document also has information other training routes such as the new T levels; not to mention general employability and application skills and support.

The Amazing Apprenticeships website is worth a visit too, it tends to be favoured by the Local Authority when it comes to apprenticeships advice and support (the [vacancy snapshot](#) is really good).

There are loads of other great websites when it comes to apprenticeships/employability. Click on the images below to view some of our favourites! **These are especially good for Y13 leavers!**
