

Using Class Charts for homework

September 2023

The Class Charts homework module!

- You will be able to view your homework on the Class Charts App.

You will be able to

- See what you need to do and when it is due;
 - Collect any electronic documents that you need for your homework;
 - Hand work in and mark work as completed.
-
- Your parents will also be able to see homework set and when homework has been completed and submitted.

You can find the homework section on the Class Charts Website or App

The homework page looks like this

The page is divided into sections

▼ To do	Homework that has been set that you need to complete
▼ Completed	Homework that you have marked as complete
▼ Submitted late	Homework that your teacher has marked as submitted late
▼ Not submitted	Homework that your teacher has marked as not submitted
▼ Submitted	Homework that your teacher has marked as submitted

When you click on a section it looks like this

Here you can see how many items of work you have in your to do list

The screenshot shows a homework management interface. At the top, there are four summary boxes: '0 tasks due this week' (grey), '0 tasks submitted/completed' (green), '0 tasks remaining this week' (red), and a filter box 'Requires submission?' (light blue) with a checkbox. Below this is a 'To do' section with a dropdown arrow on the left and a '1' badge on the right. The main area is a table with columns for Homework, Teacher, Lesson, Subject, Issued, Due, Est. time, Type, and Feedback. A single row of homework is visible: 'Year 7 Homework' by 'Mrs S McAtominey' for 'Demo Class', issued on 'Friday 29/07/2022', due on 'Thursday 08/09/2022', with an estimated time of '15 minutes' and type 'Homework'. Three blue arrows point to specific parts: one to the '1' badge, one to the 'Teacher' column, and one to the 'Due' column.

	Homework	Teacher	Lesson	Subject	Issued	Due	Est. time	Type	Feedback
	Year 7 Homework	Mrs S McAtominey	Demo Class		Friday 29/07/2022	Thursday 08/09/2022	15 minutes	Homework	

Here you can see the homework title, teacher, lesson and subject.

Here you can see the date the homework was set, when it is due and an estimate of how long the task should take.
