Dear Parents and carers,

KEY CONTACTS AT SCHOOL

As always, we want to work closely with you to provide the best possible educational experience for your children. With this in mind, we greatly value your input and strive to address any queries or concerns in a timely manner. However, it's essential to acknowledge that staff members may not always be readily available to respond immediately to your telephone call or email enquiry due to their teaching and other commitments.

With this in mind, I thought it was worth outlining what you should expect when contacting school. If calling the school, you should expect a response from the relevant member of staff **within 24 hours**. If contacting a member of staff directly by email, please allow **up to two working days**. To protect colleagues' wellbeing, we do not expect them to check or respond to emails when they are not in work.

It is also important to direct your enquiry to the correct member of staff, which will enable us to respond to any questions or concerns much more quickly. Attached, you will find a list of key contacts.

If you are contacting school regarding a safeguarding matter, then please mention this in your phone call to the main reception or in your email. This way, your concern can be directed accordingly.

We genuinely appreciate your ongoing support and understanding as we work together to create a positive and nurturing learning environment for all our students.

Yours sincerely,

Matt Smith
Headteacher
