Headteacher: Mr M Smith

8<sup>th</sup> April 2024

Dear Parent/carer,

I am writing first to introduce myself. I am Assistant Subject Leader of PSHE (Personal, Social, Health and Economic Education) & RSE (Relationship and Sex Education). As we start the Summer Term, I wanted to share with you the overview of the Year 11 PSHE content for this term.

PSHE is an integral part of our curriculum at Huntington School. Within the subject we provide students with the life skills needed keep safe, healthy and happy both now and in their adult lives.

The Department for Education have set clear guidance in the form of statutory information for what we need to cover. Our PSHE curriculum has been structured around these guidelines to meet the specific needs of our students. The lessons are divided into 5 categories as seen on page 2 of this letter.

We know that in order for these topics to have the maximum impact on our students, the conversations had at home are vital. I would value any suggested training you feel you would benefit from as a parent, so I can support you and your child in having these important conversations around potentially challenging topics.

If you have any questions or concerns, please don't hesitate to get in touch.  
[s.roworth@huntington-ed.org.uk](mailto:s.roworth@huntington-ed.org.uk)

Kindest regards,

Miss Sanchia Roworth

*Assistant Subject Leader of PSHE & RSE and Teacher of Physical Education*

	<p>Relationships and Sex Education (RSE)</p>	<p>This has been made statutory by the Department for Education for all secondary school pupils and is an important part of PSHE. A wide range of topics are covered within this category such as; families, respectful relationships, consent and the law, how to stay safe, sexual health and sexual relationships.</p>
	<p>Health Education</p>	<p>Health Education is also statutory and teaches students the necessary information they need to make positive decisions about their own health and wellbeing. The topics covered in this category are; internet safety, healthy eating, physical health and fitness, basic first aid, the changing of the adolescent body and the dangers of; drugs, alcohol, tobacco and vaping.</p>
	<p>Aspirations (Careers Information, Advice and Guidance)</p>	<p>This is characterised by an ambitious approach of wide possibilities for students and is aimed to ensure high aspirations. The supported careers journey for each student at Huntington School is delivered through; careers events, personal guidance discussions, explicitly taught PSHE lessons on careers and the embedding of careers into the wider curriculum.</p>
	<p>Citizenship</p>	<p>Citizenship involves developing the knowledge, skills and confidence to enable our young people to make their own decisions and to take responsibility for their own lives. We want our students to leave Huntington School with good knowledge of the political, legal and economic functions of society, and with the social and moral awareness to thrive.</p>
	<p>Responsive lessons</p>	<p>It is important for PSHE to be responsive to the needs of each year group at Huntington School. For these lessons the content will be planned nearer the time in response to their needs and based on the pastoral teams' reflections.</p>

We are aware that many of the topics covered in PSHE lessons are sensitive and that it is useful for parents to know what is coming up in their child's lessons. The table below shows what is coming up for your child this term and if you wish to access an overview of each year group click [here](#)
