

HUNTINGTON SCHOOL

Huntington Road, Huntington, York, YO32 9WT. Tel: 01904 752100

Email: mail@huntington-ed.org.uk

Headteacher: Mr M Smith

13th September 2024

Dear Parents and carers,

I am writing to let you know how delighted I am with the positive start Year 9 have made. They have returned to school refreshed and ready to learn, setting a good example to younger students. They will soon be selecting their GCSE Options and my colleagues, and I look forward to supporting them in the lead up to this.

As you may be aware we are holding a Progression Evening on the 26th November (details of which will follow in due course). This will be an ideal opportunity to hear all about the GCSE options available for your child so I would strongly encourage you to save the date.

Finally, I wanted to remind you of the process for contacting colleagues in school. As always, we want to work closely with you to provide the best possible educational experience for your children. With this in mind, we greatly value your input and strive to address any queries or concerns in a timely manner. However, it's essential to acknowledge that staff members may not always be readily available to respond immediately to your telephone call or email enquiry due to their teaching and other commitments.

With this in mind, I thought it was worth outlining what you should expect when contacting school. If calling the school, you should expect a response from the relevant member of staff **within 24 hours**. If contacting a member of staff directly by email, please allow **up to two working days**. To protect colleagues' wellbeing, we do not expect them to check or respond to emails when they are not in work.

It is also important to direct your enquiry to the correct member of staff which will enable us to respond to any questions or concerns much quicker. At the end of this letter you will find details of key contacts:

We genuinely appreciate your ongoing support and understanding as we work together to create a positive and nurturing learning environment for all our students.

Yours sincerely,

Matt Smith
Headteacher
