

Huntington School's Core Purpose and Vision 2022

To inspire confident learners who will thrive in a changing world.

In 2022 Huntington will be a school where we have the **highest expectations of students and ourselves**, where every student, no matter his or her starting point, is expected to work as hard as he or she can, and behave as well as he or she can, without qualification.

In 2022 Huntington will be a school where we have **truly great, evidence-based teaching & learning**, where we have collaborated as a whole staff on finding out what works and we evaluate our practice regularly against what we know works.

In 2022 Huntington will be a school where we have the **very best training programme for our staff**, where every single colleague has a high quality development programme mapped out for them the moment they begin working at our school.

In 2022 Huntington will be a school where we have **the unqualified support of our parents**, where parents have the highest aspirations for their children, where they work with us, not against us, in educating their children.

In 2022 Huntington will be a school where we have a **challenging, inclusive curriculum**, one which is built upon the foundations of reading, writing and arithmetic, and is shaped according to what our students need to know, understand and do in order to thrive for the rest of their lives.

In 2022 Huntington will be a school where we have **students making exceptional progress** in their studies way beyond what even they themselves think they are capable of making, where we can be as sure as we ever can be that every student sets off into the world with a set of examination results of which they can be proud.

In 2022 Huntington will be a school where we have a **highly functioning Pastoral system**, one where our pastoral and academic systems operate seamlessly together as one to ensure that every child at Huntington has a champion.

In 2022 Huntington will be a school where we **cherish wellbeing**, where every single one of us is wholly committed to our work, but has time to enjoy life beyond Huntington School, with family and friends, so that the school/home balance is in true harmony and we embody a celebratory, sustainable approach to life.

In 2022 Huntington will be a school where we have a **core set of values** that we live by, where our core values – Respect, Honesty and Kindness – direct our every interaction to the point where they are woven through us like the words in a stick of rock.

In 2022 Huntington will be a school where we have the **highest reputation**, one we genuinely deserve, where our excellence is manifest, where our Research School is leading local, regional and national developments in teaching & learning, and the best teachers and support staff want to come and work here – and students from all around want to come and learn here – because they *know* they will thrive.
