Dear Parent

First of all, may I welcome you as the parent of a new student coming to Huntington School this September. We are delighted that you will be joining our school community. We do understand that the transition to secondary school can be worrying for parents, and so I want to assure you that we will do all we can to ensure that your son or daughter makes a positive and enjoyable start.

On **Wednesday 21 June** there will be a Parents' Evening for all new students and their parents. The evening will begin with a brief presentation from me followed by an introduction to my senior colleagues. You will then have an opportunity to meet your child's House Leader team, as well as have an individual interview with your child's form tutor. Further details of the timings for that evening can be found below. We hope that you will be able to come within the time slot indicated below in order to help us spread the interviewing process over as long a period as possible. However, if you find this slot difficult, or indeed **if have any concerns or other queries regarding year 6 transition please contact Mrs Gail Naish, Deputy Headteacher & SENDCo - g.naish@huntington-ed.org.uk**

In addition, all new students are invited to spend a day with us before the end of the Summer Term. **Students from Robert Wilkinson and Huntington Primary Schools will join us for the day on Wednesday 28 June and all other primary school students will join us on Wednesday 5 July.** Mrs Naish and Mr Cartmail (Deputy Headteacher: Pastoral t.cartmail@huntington-ed.org.uk) will be visiting all pupils in their primary school over the Spring and Summer term. If there are additional requirements for some children to have more transition visits then they will arrange that.

We are very much looking forward to your son or daughter joining our school. I hope they will find that their time at Huntington School is both stimulating and rewarding.

Yours sincerely

John Tomsett
Headteacher
